12:00 CST Shotgun Start

Christmas Lake Golf Course

Each year, Perry County Memorial Hospital and our clinics have over 75,000 visits.

The patients that we serve walk through the doors...

**for therapy so they can regain their independence,
to meet a loved one in the Emergency Room that has suffered from a stroke,
to have imaging on spots that their physician is concerned about,
to receive a diagnosis that no one is prepared to hear,
to receive cancer treatment for a disease they never imagined would happen to them,
to welcome a new child, grandchild, niece or nephew in our birthing center.**

Without the Foundation, these things would never be possible in our community. Since it's founding in 1992, Perry County Memorial Hospital Foundation has raised over \$1 Million through events such as this golf tournament to improve healthcare in our community.

We encourage you to join us in our mission by supporting this year's annual golf tournament. We are confident that it will be a pretty good time too!
